Balham Pathfinder and Adventurer Club Update:

In December 2019 for the 2019-2020 club year we started with:

- 11 Adventurers
- 27 Pathfinders
- 17 Counsellors

We had club every 1st and 3rd Sabbath, and sold food in the kitchen to fundraise for the club every Sabbath.

Covid-19 came with a vengeance in 2020 and change things up drastically! Parents of children who are pathfinders had to step in and assisted the children to complete their requirements. The Adventurer counsellors did their best and continued to set tasks to keep children on target to complete their requirements.

Some children were not able to complete all the requirements due to a host of different reasons. Rest assured they will be encouraged and supported in club year 2021 to meet the necessary requirements so they can be invested from their current class to the next class.
